

Sample PDF for RAG-PDF Assistant Demo  
Generated: 2026-02-03

Purpose:

- This is a tiny public-safe document included in the repo
- Use it to demo: upload -> ask -> answer with page citations

Sections:

1) Overview: This app performs local PDF Q&A using embeddings retrieval.

2) How to test:

- Ask: What is this document about?
- Ask: List the sections with page citations.

3) Notes:

- No external LLM is required for this demo.
- Citations should reference page 1 for answers.
